Missouri A. F. Of L. Convenes Here Monday

Sessions In The Circuit Court Room Of Court House

The forty-sixth annual, and third biennial convention of the Missouri State Federation of Labor, convenes in Sedalia, in the circuit court room of the court house, at 10 o'clock Monday morning. There will be 420 delegates, representing the different crafts and unions of the federation, and in addition many members will be here as visitors.

R. T. Wood, Springfield, president of the state federation, and Frank J. Murphy, Kansas City, secretary, have been here the past few days, making the necessary preliminary arrangements.

Convention headquarters are at Bothwell hotel, where already many early arrivals have taken their reservations.

Opening Session
George Ethridge, president of the Sedalia Federation of Labor, will open the session, presenting Mayor A. H. Wilks, Secretary of the Chamber of Commerce Ellsworth Green, Jr., and Judge Dimmitt Hoffman, who will make brief addresses of welcome. Rev. Walter P. Arnold will ask the invocation. Mr. Ethridge will then present Mr. Wood, who will take charge of the business sessions, appointing the usual committees, and presiding over routine matters.

Credentials Committee
The credentials committee went into session Saturday afternoon, and will meet at intervals through Tuesday afternoon. Its members are, Leonard Williams, Kansas City, chairman; Frank Reiser, St. Joseph; William Bingl, St. Louis; Joe Barrett, Springfield; Edward P. Mullaley, Sedalia; Mrs. Della Wright, Hannibal; James Frazier, Jefferson City.

Dutch Lunch Tuesday Night
One of the social sessions of the convention will be a Dutch lunch, at the VFW hall, on South Ohio avenue, Tuesday night.

Electrical Workers Meet
The Electrical Workers union held a conference Saturday and at the close of the business, enjoyed a banquet that evening, at Bothwell hotel, Mont Silvey, Kansas City, is chairman and "Kab" O'Shey, St. Louis, is the secretary.

East Seaboard In Military Area

NEW YORK, May 16.—(AP)—Lieut. Gen. Hugh A. Drum, commanding general of the eastern defense command and first army, proclaimed a military area to-night for the entire eastern seaboard covering 15 states, part of Florida and the District of Columbia.

The declaration entitled "public proclamation No. 1" put into effect previously announced plans to set up an eastern military area as a security measure by direction of the President and the Secretary of War.

All restrictions and orders issued from the four corps areas involved in the military area for the effective control of artificial lighting along the coasts were made a part of the proclamation. Wilful violation of the orders by an alien enemy will be deemed cause for expulsion, internment or prosecution under terms of the proclamation and similar violations by persons other than alien enemies will be cause of expulsion or prosecution.

General Drum specifically requested that state and municipal police and other officials and civilians within the area assist the agencies charged with enforcing restrictions by reporting to them the names and addresses of all persons believed to have violated restrictions.

States affected by the proclamation are Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Delaware, Pennsylvania, Maryland, Virginia, North Carolina, South Carolina, Georgia, the District of Columbia and all of Florida except the extreme northwestern end.

R. T. Wood, Springfield, president of the Missouri Federation of Labor, which opens its annual convention in Sedalia Monday.

Classes For Patrolmen At Fair Grounds

Intensive Exercise And Class Work For Highway Patrol

Four weeks retraining period being held by the Missouri State Highway Patrol at the Missouri State Fair Grounds, is meeting with much enthusiasm by the members of the organization. Two weeks of the training have just been completed, another begins Monday morning, and the fourth will start Monday May 25.

Colonel Stanley Ginn, Superintendent of the Patrol, conceived the idea of retraining after he had made a thorough examination and inspection of the various troops the past several months. Finding the newly appointed Troopers a little sharper on new ideas than the men who have been on since its organization was started, he decided the entire Patrol should be re-schooled on new laws passed in the past few years and new problems arising since the declaration of war.

Prepared Themselves
He studied hard, and had several of the Troopers schooled in various subjects which he desired used in the school. He visited other state patrols, obtained their ideas, revamped them to suit Missouri, then announced the retraining period. Feeling the Troopers were not the only "rusty" members he announced a week for the officers and non-commissioned officers of the organization as well.

The first week was in April, at which time every officer was a "student" along with several of the "non-coms." They went through the same routine which is being carried out for the Troopers, and each week one to two officers are present to assist in the instructions of their men. The officers look forward to their "days" back at school to assist, and are confident the re-training period will not have been in vain.

An Annual Affair
Colonel Ginn, after the completion of the first two weeks, has announced the re-training school will be one of the yearly programs of the State Highway Patrol as long as he is the superintendent, and recommends that it be continued by his successors.

Training Valuable
This training will be a great help to the men who may be called into military service, as well as in connection with their work. Already more than twenty officers and troopers of the patrol have answered the call of the military service, the last being Captain R. R. Reed, Troop D, Springfield, who entered the service on Friday as a Captain. His duties are temporarily in charge of Sergeant F. D. Hagan.

Colonel Ginn has several subjects whom he is teaching. His courses include, law and court procedure; public relations, and policy of the patrol.

Sergeant E. J. Hockaday, headquarters Jefferson City, in charge of the laboratory is teaching the following subjects: scientific criminal investigation; collecting and preserving evidence; and fire arms practice.

Sergeant G. D. Sontheimer, headquarters, in charge of the safety bureau has as his subject accident prevention and investigation, also first aid.

Captain J. M. Wherritt, headquarters, in charge of the radio division gives lectures on the use of radio equipment and how to get the most out of it.

Sergeant K. K. Johnson, in charge of the bureau of identification at headquarters teaches fingerprinting, records and reports.

Convention Of Catholics At Liberty Park

Bishop Of Diocese Will Celebrate Mass In Convention Hall

Representatives of the Catholic churches in the Kansas City diocese, clergy and laymen from about ninety parishes, will assemble in Sedalia today representing the various societies of men and women, at the annual convention of the Council of Catholic men and women.

The convention will be held in the hall, at Liberty park, where at 11:30 o'clock Right Reverend Edwin V. O'Hara, Bishop of Kansas City, will celebrate mass at an altar temporarily erected there.

The delegates and visitors will march to the hall, from St. Patrick's church, Fourth street and Washington avenue, leaving that location at 11 o'clock. The parade will be headed by Bishop O'Hara, in an open motor car, flanked on either side by a Fourth Degree Knights of Columbus guard of honor. Massed American flags, carried by men of the Holy Name Society, Boy Scouts and Legionnaires, will have a prominent position in the line of march. Also included will be the Lillis high school band of Kansas City.

Music By Joint Choirs
Members of Sacred Heart and St. Patrick church choirs, of Sedalia, will sing at the mass at Convention hall, also as the Bishop and his escort enter the hall. The choirs are directed by Claude Boul, with Mrs. Jess Comer, organist.

To Elect Officers
New diocesan officers of the two councils will be elected at meetings of the board of directors, at 1 o'clock, and a mass meeting, open to the public will be opened at 2 o'clock. Speakers at this time will be Bishop O'Hara, Helen Templeton, and Father Arthur W. Tighe, all of Kansas City.

Other meetings for special groups will be held later in the afternoon.

Banquet Sunday Night
Father John C. Friedl, S. J., director of the Rockhurst Institute of Social Justice, and Mrs. Joseph Scherer, of Kansas City, will speak at a banquet at 6:30 o'clock in the evening, at St. Patrick's school hall.

Service Awards At Press Banquet

Veteran Sedalia newspaper employees were honored with Service Award certificates at the Thirty-third annual Journalism Week banquet of the School of Journalism of the University of Missouri in Columbia Friday night.

The "Diamond Jubilee Banquet," for the Missouri Press Association was held in Rothwell gymnasium.

Nine members of the Sedalia Democrat-Capital staff were eligible for certificates of 25 years or more of service in full time newspaper employment. All of these men were present, the largest representation from any one newspaper in the state of Missouri. They included:

Claude Yanke, 44 years; W. D. Agee, 43 years; Henry Shepherd, 40 years; O. B. Poundstone, 38 years; Mrs. Mary E. Ott, 31 years; George E. E. Ott, 31 years; Mace Ayres, 30 years; Ralph McCann, 30 years; George H. Scruton, 25 years.

Others from the Democrat-Capital organization who attended the banquet were: Mr. and Mrs. George H. Trader, Miss Rosemary Burrows, K. U. Love, and D. K. Scruton. Accompanying them were: Mrs. George H. Scruton, Mrs. D. Kelly Scruton, Janet Stanley, Genevieve Stanley, Mrs. George E. E. Ott, Mrs. Blanche Cooper, Mrs. K. U. Love.

Presentation of the Service Award certificates was made by W. E. Freeland, president of the Missouri Press Association.

Meeting On New Credit Regulations

All business and professional people of Sedalia and surrounding trade territory are invited to meet Tuesday night, May 19, at 8 o'clock in the assembly room of the Pettis county court house in regard to federal credit regulations which became effective May 6.

The Federal Reserve Bank of St. Louis is sending Stephen Koptis, manager of the consumer credit division of that institution pertaining to this subject.

The majority of business and professional people, especially retailers are affected by these new regulations, and they are invited to take advantage of the opportunity of hearing this official representative of the Federal Reserve System who is qualified to speak and answer questions on this subject. The meeting is being sponsored by the Retail Credit Association of Sedalia.

Physical Tests For Draftees Tuesday
The Pettis County Selective Service board has ordered the examination of fifty-five young draftees, on Tuesday. This is a preliminary examination, and those who pass are the eligible to be called to reception centers, when called. The examination is done at the Pettis county court house by Dr. A. L. Walter, Dr. J. W. Boger, Dr. W. A. Beckenmeyer, Dr. Gordon Stauffacher, Dr. John M. Rode-man with the assistance also of Ralph Carrel, of the Lattimore laboratories.

This is the first examination since April 22 when sixty were examined.

Luck Rides With Luckeys

Save Selves On Fast Train By Hanging On Steps

Luck was riding with the Luck brotires—George and Lloyd—Saturday, when they escaped with their lives while hanging on the iron steps outside of the speeding streamlined locomotive of the Missouri Pacific Eagle west bound. They received painful burns when a cylinder head on one of the big motors blew out filling their compartment with hot, black smoke.

George E. Luckey, 44, who resides at 645 East Thirteenth street, and Lloyd H. Luckey who resides on South Carr avenue, are firemen, and they were riding in the compartment where the large diesel-powered motors are located, when the accident occurred.

Unable to inform Engineer B. V. Elkins, 923 East Third street, the engineer on the train of their predicament, as he was in another compartment, they crawled outside of the speeding engine and clung to an iron step. As the train slowed down in the Independence yards, both fell off of the train exhausted.

Joins Brother At Hospital
Lloyd remained with the train on into Kansas City, while George was treated at a hospital in Independence. Later George was removed to Kansas City to the St. Mary's hospital and joined his brother who was also rushed there upon the arrival of the train at the Union Station.

According to reports received in Sedalia neither was in a critical condition, although their burns are painful.

Lloyd, a regular fireman, was making a student trip on the Diesel-Powered locomotive. It was his first such call.

A steam locomotive was substituted for the crippled diesel at Kansas City and took the train on into Omaha.

Relatives of the two men left Sedalia Saturday evening to be with them in Kansas City.

U. S. Built Bombers Blast Convoys

LONDON, May 16.—(AP)—Round-off a week of intensive day and night attacks on German shipping off the continental coast, United States-built Hudson bombers blasted at two convoys off the Frisian islands off the northern coast of the Netherlands last night leaving three supply ships burning and four others probably damaged from hits.

Calling the attacks "the most devastating of the week," air ministry sources admitted, however, that five of the British bombers were lost in the fierce anti-aircraft fire that greeted their low-level assault.

The purpose of the campaign is to raise funds for the national organization which provides recreation centers for men in the armed forces of the United States, in this country and in all countries where the American forces are stationed.

Carpenters To Elect Today

Convention At Hotel Bothwell Ends Today

The fifth annual convention of the Missouri State Council of Carpenters and Joiners was opened at the Bothwell Hotel Saturday morning with James O. Mack, Kansas City, president of the organization presiding. The meeting was called to order by Vice-President George Ethridge of Sedalia.

The invocation was given by the Reverend Father J. A. Biter, Reverend A. W. Kokenodoff and Rabbi Harry S. May.

Mayor A. H. Wilks gave the address of welcome to the delegates followed by brief talks by Judge Dimmitt Hoffman, Judge Lon E. Leslie, Sheriff H. R. Bothwell, Chief of Police H. R. Bothwell, Anderson and Ellsworth Green, Jr., secretary of the Sedalia Chamber of Commerce.

President Mack gave the response.

Held Business Session
In the afternoon business was transacted and routine affairs discussed. Several committees were appointed by the chairman who will give their reports at today's session.

Former Congressman Ruben T. Wood, president of the State Federation of Labor, and Postmaster Edward P. Mullaley will give talks today.

Saturday night a thirty-four piece band of the Carpenters Union from Kansas City, played several numbers at the Bothwell Hotel and paraded through the downtown area. Later they went to the V. F. W. hall on South Ohio avenue where they entertained visiting delegates and partook in a Dutch lunch along with the delegates.

This afternoon the election of officers will be held and several resolutions will be presented to the organization for their approval.

One hundred and twelve delegates from over the state were registered up until Saturday evening and by today the number is expected to be increased to 125.

Destroy Eight Planes Of Joe

ALLIED HEADQUARTERS, Australia, Sunday, May 17.—(AP)—Allied planes in three new attacks on the Japanese air base at Lae, northeastern New Guinea, destroyed eight enemy bombers on the ground, shot down one challenging zero fighter and started numerous fires among buildings, General MacArthur's headquarters announced today.

Allied bombers also attacked Deboynie island, in the Louisiade Archipelago, where an enemy seaplane was damaged.

The latest raids upon Lae followed a smashing Friday assault which left big fires blazing at the Japanese air base.

Chance For 1-B Men To Volunteer

JEFFERSON CITY, May 16.—(AP)—Col. Claude C. Earp, state draft director, announced tonight that volunteers from the 1-B draft classification would be accepted next month for limited military service in the army.

"No call will go out for these men, as in the case of 1-A men," he said. "It is a matter of pure voluntary patriotism."

Earp said authorization for accepting 1-B volunteers came from Washington and caught state headquarters without sufficient time to notify all the 175 local boards.

"But this information will be in the hands of local boards within a few days," he said. "The 1-B men who wish to volunteer should not wait but should go immediately to the local board office and fill out the necessary forms."

The decision was the first time army enlistments had been opened up for 1-B men—those deferred for physical reasons.

"These men will be taken in for limited military service only," Col. Earp said, "and will have ample opportunities for promotion. They will undergo an eight week training period, and should their physical condition be sufficiently improved at the end of that time, they will be considered qualified for general military service."

Not all 1-B applicants will be accepted. But the army will take those volunteers who are only slightly underweight, who are sightless in one eye, whose vision can be brought to 20/40 with glasses in either eye, or who have been rejected for other minor defects.

Sugar On Church Steps To Charity

"Please deliver to charity" was a note pinned on a sack of sugar weighing about eight pounds which was found on the steps of the First Christian church Saturday morning. The sugar has been handled as the donor desired according to the report from the Pettis County Rationing Board.

The past week 365 family units have been registered at the rationing headquarters for sugar to be used in canning purposes. The families range from one member up to the largest family unit to be registered was that of thirteen.

Each person is entitled to five pounds of sugar for canning purposes and the sugar must be used for this otherwise it cannot be rationed out. Registration will continue on through this week except on Saturday afternoon at which time the office is closed.

No deadline has been set for the registration on sugar to be used for canning purposes.

It is not necessary to have rationing cards to register for canning sugar.

Convict Is Slain While In Pistol Battle

'Pat' Ramsey Is Shot—Two With Him Surrender

COMMERCE, Okla., May 16.—

(AP)Pascal "Pat" Ramsey, 35, escaped Missouri convict, was shot to death and his wife and a companion arrested today after a 10-mile running pistol fight with five officers.

Ramsey fell with a bullet through his heart and another through his right shoulder at the "dead end" of a country road ten miles 21 and George Devine, 35, dropped north of here and his wife, Jean, their weapons and surrendered.

Sought for questioning in connection with a series of recent robberies in Joplin, Ramsey was spotted in a Main street store this afternoon by Commerce Police Chief Aubert Sidwell.

Sidwell called the Ottawa county sheriff's office at Miami for help, then trailed Ramsey and the others while Sheriff Dee Watters and three deputies speeded to Commerce.

The officers accosted the trio on Main street, Watters said, and were answered with pistol fire. As the officers returned the shots, the group leaped into an automobile and raced northward over country roads.

Shots Were Exchanged
During the ten mile chase, the sheriff said Mrs. Ramsey scattered nails over the roads behind the fleeing car and several shots were exchanged.

At the dead end, the trio leaped from the car and ran toward a wooded section, firing as they went. When Ramsey was hit, Watters said Devine and the woman threw their pistols to the ground.

Ramsey's body was taken to a mortuary at Miami and his wife and Devine were confined in the Ottawa county jail at Miami.

Several guns and a quantity of nitro-glycerine were found in the car Ramsey was driving, Watters said. He added that the car (five-passenger Buick coupe) answered the description of one stolen recently at Guthrie.

Ramsey escaped from the Missouri state penitentiary at Jefferson City about two months ago, Watters reported, and had been sought in connection with a \$1,000 robbery of the Joplin stockyards last night and several other robberies throughout the tri-state area.

Both Ramsey and his wife served time in Missouri's prison on charges of robbery with explosives. They were sentenced from Jasper county in southwest Missouri.

Missouri highway patrolmen regarded Ramsey as a dangerous safe blow. His patrol record showed 13 arrests, two terms in the federal prison at Leavenworth, Kas., one in the federal reformatory at El Reno, Okla., and his Missouri conviction.

Ramsey was sentenced to 15 years from Jasper county Oct. 11, 1940.

He and a fellow convict stole a state car from the prison garage last March 26 and escaped. Mrs. Ramsey was sentenced to two years for burglary with explosives Nov. 22, 1940. She was freed a year later on a conditional commutation of her sentence.

Injured As Autos Collide

Fourth A. J. Williams, Twenty-four street and Engineer avenue, received painful lacerations about her face and head, and body bruises when the automobile driven by her husband was struck by a car driven by J. F. H. Schnakenberg, of Lincoln, R. F. D. 2, at Broadway and Center street, shortly afternoon Saturday. Mrs. Williams was taken to the Bothwell hospital where she received medical treatment.

The Williams car, a 1938 Plymouth sedan was headed south across Broadway, (highway 50) going south and the 1938 Chevrolet coach of Mr. Schnakenberg was going east on Broadway when the collision occurred. The center of the Williams car was struck knocking it into a small ditch on the southeast corner of the intersection.

Mrs. Schnakenberg, wife of the driver, their daughter Alberta, their son Earl and his girl friend Miss Izola Dillon, the latter of Warsaw, were shaken up and bruised.

Both cars were badly damaged.

Nazis Lay Claim To Kerch Capture After Eight Days Of Heavy Battle

MOSCOW, SUNDAY, May 17.—(AP)—Heavy fighting is continuing on the Kerch peninsula, and the Red army on the Kharkov front has made new advances, the Russians announced officially early today.

Drive For Kharkov

By RICHARD McMURRAY
Associated Press War Editor
A mighty Russian offensive was reported driving ever closer to Kharkov last (Sat.) night through a 70-mile gap blasted out of German Ukraine defenses in bloody recompense for defeats on the Kerch peninsula, where Berlin said Nazi troops faced the rich Caucasus over four miles of Soviet-controlled water.

One report placed the men of Marshal Semeon Timoshenko in the suburbs of the great steel and rail center and said the inner defenses had been cracked at two points. All reports pictured an offensive of great magnitude with the Germans fighting with suicidal stubbornness against a threat to hold back their whole southern invasion lines.

Nazis Claim Kerch

The Germans said officially that Kerch was theirs after eight days of battle along the 50-mile peninsula jutting east from the Crimea, but a conflicting report from the German-controlled Paris radio said Russian units still stood between the town of Kerch and Parypash, the neck of the peninsula. The Nazis claimed 50,000 prisoners but said the necessity of mopping up the remaining Russians had slowed their operations.

Of Kerch, the Soviet midnight communique said:

"Our troops waged stubborn battles in the region of the city of Kerch."

Of Kharkov it said: "Our troops waged offensive battles, successfully advancing and capturing booty and prisoners."

Held In Death Struggle

While the Russians held Germany in a death struggle of growing intensity along the vast Soviet front, Adolf Hitler's Oriental allies, the Japanese, appeared more intent upon knocking out China than by helping Germany with a stab at Russia's Siberian back.

The Japanese already are deep in China's Yunnan province and Chungking said they had started an entirely new offensive in Chekiang province south of Shanghai, sending "many columns" to mop up airdromes from which United States bombers might again torture Japan's tinder-box cities.

In eastern Burma, the Chinese said they had driven

The Washington Merry-Go-Round

By DREW PEARSON AND ROBERT S. ALLEN

WASHINGTON—In the office of Federal Trade Commissioner March is a sign which reads:

"We Are Fighting Hitler, Not Each Other."

That advice would be most beneficial, if heeded, in certain high offices vital to the war effort.

Before Pearl Harbor, the American public was sickened by the jurisdictional fights between labor unions; the sight of vital defense projects stymied while a CIO union fought an AFL union over who should collect dues.

Since Pearl Harbor labor rows have dwindled. But behind the scenes in Washington, jurisdictional fights, just as bad as those between rival labor unions, continue. And, as the case of racketeering labor czars, prestige or personal vanity is often the sole issue between rival bureaucrats.

For instance, Army and Navy Intelligence fought Col. Donovan's committee to the last ditch on counter-espionage. The head of Military Intelligence, Gen. Sherman Miles was transferred before full cooperation was created.

Later the Donovan committee actually sent electricians over to the State Department and ripped out the teletype machine by which the State Department was receiving news for its propaganda broadcasts to occupied countries. This, the Donovan committee contended, was its job, not the State Department's.

"Keep Out!" Again when the Rockefeller committee was appointed to propagandize in Latin America, the State Department fought it tooth and nail. Latin American propaganda, the State Department said, was its job, and could not be delegated to the Rockefeller committee or anyone else.

But later, when the Donovan committee wanted to send short wave broadcasts to Latin America the State Department and the Rockefeller committee suddenly got together. They united against the common enemy, the Donovan committee.

"Latin America," said both Rockefeller and the diplomats in effect, "is our stamping ground. Keep out!"

Then there was the quarrel between Justice and the Treasury as to which should handle alien property. The argument lasted so long that it delayed seizure of certain important German patents, and finally was settled when Roosevelt appointed Leo Crowley to be Alien Property Custodian, independent of both departments.

West Point vs. Annapolis

Probably the oldest jurisdictional row, at times causing more harm than labor union squabbles, has been between the army and navy. The army claimed that air rivalry over patrolling the Pacific was partly responsible for Pearl Harbor; while part of the current submarine disasters along the Atlantic coast is said to result from lack of co-operation between the army and navy.

Another jurisdictional fight still undecided is among the State Department, Bureau of Economic Warfare and the Justice Department as to who should prosecute violators of the Black List. And because the row has not been decided, there have been no prosecutions, and some companies are beginning to thumb their noses at the Black List.

Hull vs. Wallace

The Black List feud is just a small part of the most unfortunate jurisdictional row of all—between Secretary of State Hull and his career diplomats on one side, and Vice-President Wallace, plus his Bureau of Economic Warfare, on the other. Two weeks

Side Glances

"Our little poker game last night was a big success—the boss won \$1.85!"

ago the president himself finally stepped in to settle this.

Tragedy of these feuds is that it is the American public, not the bureaucrats, which suffers. And the result of the Wallace-Hull jurisdictional row may be that the public will have less Brazilian rubber, less Bolivian tin, less of other Latin American materials.

The row dates back to last summer when the White House created the Bureau of Economic Warfare to use the power of American dollars, trade, and loans to hit the axis abroad, particularly in South America.

Secretary Hull at that time was wrathful that the job was given to Wallace, and referred to the vice-president in strong and picturesque language. Hull also blamed Undersecretary Welles and Lawrence Duggan, his Latin American adviser, for letting Wallace get the job while he, Hull, was on vacation.

Then came Pearl Harbor and the need for rubber, tin, quinine, hemp, vegetable oils. Something

was supposed to be done about filling some of these needs at the Rio de Janeiro Conference in January. But though the State Department sent experts to discuss rubber at Rio, nothing happened. Three months passed. And not a single pound of rubber reached us from Rio.

So at this point Wallace's Bureau of Economic Warfare stepped in with a plan for doing what the American Chicle company has done in Central America—send U. S. experts into the jungle, set up camps, transportation, and rush the goods—by airplane if necessary.

Wallace's men pointed out that to tap rubber trees in the Amazon jungles required steamboat transportation, barracks, quinine, food, and organization. They planned to use American Chicle men to do it, in co-operation with Brazil. State Department Says No

But the State Department said no. They objected that this would offend Brazil, that it would be invading that nation's sovereign

rights, would hurt the Good Neighbor policy.

The Bureau of Economic Warfare countered that they would work closely with Brazilians, would do nothing to interfere with Brazilian sovereignty.

But the State Department continued to say no. Foreign relations, it argued, were the traditional prerogative of the secretary of state. And after the question was subjected to much hemming and hawing, the president backed up the career boys.

So today, the State Department can refuse a passport to any man Wallace wants to send to Brazil if it so chooses. And all negotiations must be carried on through the very charming but prim young gentlemen who sit in the rarified atmosphere of U. S. embassies in Latin America.

Actually there is something to be said for the State Department's idea that you cannot offend the sovereign sensibilities of a Good Neighbor. Also there is a lot to be said for Wallace's idea of sending go-getters to the Brazilian jungles to bring out the rubber. But the tragedy is that two or

Charged With Check Forging

Carroll Shull, charged with passing a forged check, is in the Pettis county jail awaiting trial after being bound over to the criminal court by Justice of the Peace J. C. Connor.

Arrested by Constable Forrest Poindexter, Shull was unable to post \$1,000 bond and was placed in the jail pending his hearing. He is charged with passing a check to R. C. Norton for the amount of \$12. The name of L. E. Durlay was signed on the check.

The charge against Shull was filed June 28, 1941, but he left the city soon afterward, and reappeared here Thursday.

Today's Pattern

Peasant Favorite

If you want to look feminine and fragile, wear a peasant frock! This favorite fashion for American girls can't be beat for soft, beau-catching charm. In simple calico or percale, lavishly banded with ric rac braid, it is positively glamorous. Winning features are the daintily low neck, the way the fitted bodice top reveals the waist and the full-gathered, flouncing skirt!

Pattern No. 8181 is in sizes 10 to 20. Size 12 takes 3 1/2 yards 35-inch material. 11 yards ric rac.

A new Fashion Book has just been published! Send today for your copy of this valuable guide to the latest patterns for summer sewing. Frocks, aprons, slacks, sports suits—for all sizes from 1 to 52.

Pattern 15c, Pattern Book 15c, One Pattern and Pattern Book ordered together 25c. Enclose 1c postage for each pattern. Mail orders to our New York office address as noted above.

The Sedalia Military band will commence a series of free open air concerts at Liberty Park Tuesday evening. The concert will begin at 8 o'clock and last two hours. Concerts will be given twice a week at Liberty park throughout the summer.

The street railway company is running two cars on the East Sedalia line afternoons and evenings.

The Sedalia Catholic Benevolent society will hold a meeting this afternoon at the Glass hall.

So great was the rush of business at The Bell last night that the store was forced to close its doors between the hours of 8 and 9 o'clock. The staff could not wait upon the large number of customers which filled the building.

The high school cadets were inspected Friday evening at Liberty park by Captain Netherton.

Mind Your Manners

Test your knowledge of correct social usage by answering the following questions, then checking against the authoritative answers below:

1. If you move into a new city and a hostess representing a number of the city's business firms comes to call, should you treat her as graciously as you would any caller?
2. Would it be all right to ask her questions you want to know about the city?
3. If she gives you presents from the various merchants or a book of coupons which you can turn in for presents or credit should you thank her graciously?
4. If no hostess calls on you but there is one in the city would it be all right for you to call her and ask for any information you would like about churches, stores, beauty shops, etc.?
5. Should you feel you cannot invite the hostess in when she calls because you are not yet settled and the living room is cluttered with unhung pictures?

What would you do if—
When you move to a new town a number of persons call on you—
(a) Return the calls promptly?
(b) Don't bother to return the calls if you think the place will not be your permanent home, or if you don't care about knowing a great many people?

Answers
1. Yes.
2. Certainly.
3. Yes.
4. Yes.
5. No.

HEADACHE CURED

Cures of headaches by Chiropractic are so common that the chiropractor seldom thinks much about it. Occasionally there is a case of unusual severity or duration that gets well that merits special mention. Such a case recently occurred in my office.

The patient, a lady, had severe headache for about twenty five years. It awakened her early each morning and good sleep was unknown. Her family had tried to get her to go to a chiropractor for over ten years but she had tried so many different

ent doctors that she was disgusted and had no hopes. She got desperate recently and decided to give it a try. X-Ray picture revealed a bad displacement of the atlas (the vertebrae the head rests on) and was considered to be the cause. Since adjustment of this vertebrae she has not had a headache and for the first time she can remember she has to be called to awaken her in the morning.

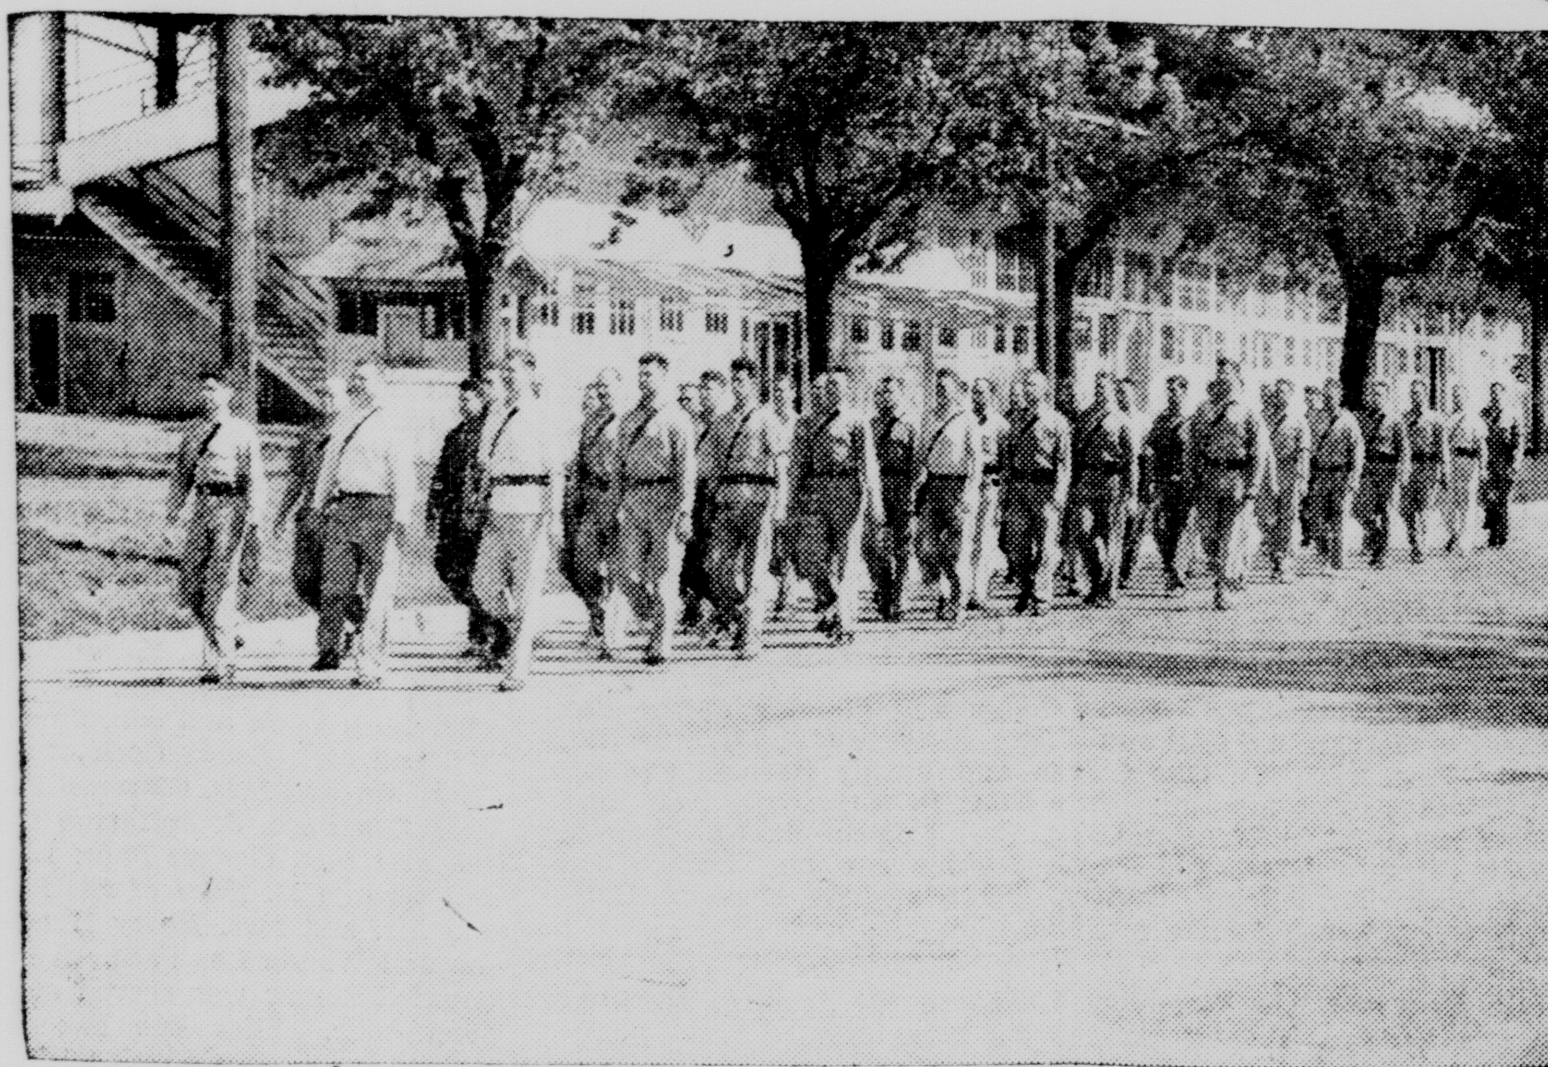

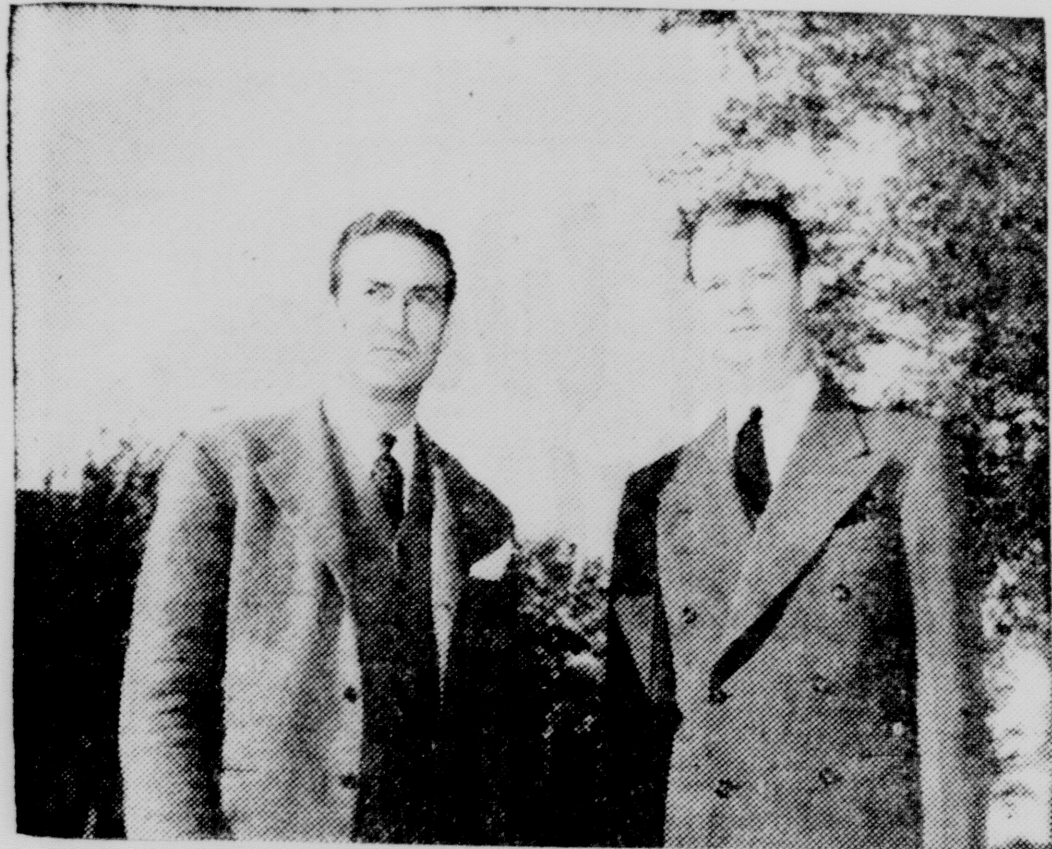

She is thrilled with the comfort she now has, the way she can sleep and the amount of work she can do.

Chiropractic restoration of NORMAL NERVE SUPPLY was all that was necessary to accomplish this.

Colonel Ellis took charge of the patrol in the summer of 1931 and supervised the first training of the troopers, as Colonel Ginn is doing today.

Bottom left: Colonel Ginn is the subject of Trooper H. D. Brigham, in a lesson of jiu-jit-su during the regular afternoon class. Several troopers are deeply interested. The troopers are, from left to right, Col. Ginn, Trooper Brigham, Troopers M. B. Roberts in the background, P. H. Upderoff, John Barbour and L. L. Murphy.

Upper right: For one hour the state troopers, under drill master Trooper Brigham, drill on the wide blacktop pavement in front of the Administration building. The drilling period is part of the exercise to help keep the men in condition.

Center right: The first step in practical shooting on one of the target ranges back of the administration building. The trooper who is back is H. G. Burton of Kirkwood. He has just fired his first of twenty shots on the range. Trooper H. D. Brigham of Troop A, Lees Summit, is timing the trooper. The time limit on nine different positions for firing is two and a half minutes.

Bottom right: On a second range where target practice is held daily, the troopers in the picture are checking the shots they have just made on the silhouette of a man. The troopers from left to right are: L. R. Swartz, Kirkwood; R. L. Berry, Marshall; John Morris, Cape Girardeau; William Maloney, Jefferson City; R. E. Dillard, Jr., Kirkwood; C. P. Want Couples To File Joint Returns

House Ways And Means Committee Votes 13 to 10

WASHINGTON, May 16.—(P)—By the margin of three votes, the house ways and means committee decided for the second straight year Friday that married couples should be required to file joint income tax returns—and bring upwards of \$350,000,000 of new revenue into the treasury.

That tentative decision, coming soon after the members overwhelmingly refused to grant the administration's request that the income from state and local securities be made taxable, brought the prospect of another hard fight in both the house and senate.

The committee inserted such a provision in the 1941 revenue bill, but the house killed it by a vote of 242 to 160. An attempt was made to revive it in the senate but strong opposition, particularly from the community property states, forced the administration to abandon it.

Here is the way the joint return works:

Suppose a man has an income of \$5,000 a year and his wife one of \$4,000. Under present law they may each file a separate income return and pay their taxes separately. Under the committee approved provision they would file one return on \$9,000 total income. The effect would be to increase their total taxes since rates are graduated to bear heavier the larger the income.

This would be true in all the states. However, a requirement for a joint return would have an especial effect in the community property states. These include Louisiana, Texas, New Mexico, Arizona, California, Washington, Nevada and Idaho. Under their laws, husband and wife have an equal interest in each other's property and income.

Vote 13 To 10

Thus, in these states, if a husband has a \$9,000 salary and his wife none, for instance, they may now make separate income tax returns of \$4,500 each. Thus their total taxes are lower than a similarly-situated couple in another state where the husband would make a return on \$9,000.

The committee vote in favor of mandatory joint returns was 13 to 10. The exact vote against taxing income from state and local securities was not disclosed.

**Loveland Club
Has May Meeting**

The Loveland Homemakers club met at the home of Mrs. Russell Branstetter with ten members present and two guests present, recently.

The guests were Mrs. Melvin Thierfelder and Audrey Thierfelder. Mrs. T. S. Ellis read the club record. Mrs. Will Embree presided over the business session in the absence of Mrs. Scott, president.

After the business meeting the remainder of the afternoon was spent in conversation. The next meeting will be at the home of Mrs. Ben Potter on June 4.

**Mosquitoes Worry Sedalia
Youths At Camp Blanding**

CAMP BLANDING, Fla. (Special)—The past week, fellow Sedalians, started out in high gear for your men in khaki. On Monday morning we received the third and last shot of the typhoid series. It seemed the strongest of the three and it was generally noticed all the men carefully avoided any obstacles or friendly jostling, particularly in the region of the left upper arm. The same evening found us in a rendezvous position in the field. Immediately after dark we proceeded under black-out conditions to our positions where our artillery pieces were placed and the necessary functioning units completed their work.

Real Battle On Hands

While our battle was simulated in every detail, we found a real battle on our hands. (and faces, too) for pesky, dive-bombing mosquitoes started to strafe our positions with success. On this particular night several of them scored direct hits on Pts. James "Gussie" Guest, George and James Hudson and your correspondent. The dawn rose up like thunder to find "Gussie" with both eyes considerably puffed. George Hudson's much bitten and enlarged chin earned him the temporary title of Popeye while yours truly wandered around with one eye closed. The following day, however, found everyone as well as ever. We returned to camp in the evening a rather weary lot and nearly everyone was in the hay early after chow, a bath and shave.

Sedalia Unit Fine

On Wednesday, several of our units went into the field and into positions under surveillance of umpires who recorded details of their proficiency. Capt. Benjamin A. Goodin, our commanding officer, and Lieut. Joseph C. Utter, our executive, were informed that the unit of Sedalia men was the fastest and best looking unit to

go into position that he had witnessed.

On Thursday we had another feather added to our helmets. Our organization went into position once more. Our pieces were soon blasting out ammunition with terrific booming and flashing of shell-bursts. Later we were informed that our performance was among the outstanding records of the regiment. The whining and whispering of projectiles flying through the night sky soon subsided and everyone, save the ever-vigilant outpost sentries, prepared for a snooze. During the night another raiding party of mosquitoes crossed our lines and used Sgt. Jack Bryson's face for target practice. When he awoke his forehead resembled a wash-board and both eyes blinked out from puffed circles. As the day passed on however, his appearance grew back to normal. After hurrying out a few more shells at daybreak, we received our "march order" and were back at camp by noon. On our arrival, Corp. Bob Beckham was delightfully surprised to find his wife who had just arrived from Sedalia, waiting for him.

Swim In Lake Kingsley

The afternoon was spent in cleaning and preparing equipment for the regular Saturday inspection. Our inspection, incidentally, came off in fine order. After lunch practically everyone left the area to go swimming at Lake Kingsley, or to visit nearby towns.

Yesterday's church service was devoted to mothers, consequently everyone appreciated Chaplain Roy Reynolds' sermon very much.

That's all for now, so again I bring our weekly message to a close with best wishes from everyone.

Corporal Paul Alpert.

• Warsaw

Mr. and Mrs. Eugene Roberts and daughter Juanita Fynn, of Lincoln, were guests Sunday in the home of Mr. and Mrs. Ernest Swearingin.

Last Wednesday evening the grade school members of the Warsaw school band gave a surprise party in honor of their music teacher, John M. Gibbons, who will be leaving soon to enter training in the army air corps. Other guests were Mrs. Alma Lutman, president of the Warsaw Band Mothers club and Mrs. Gibbons. Games were enjoyed, after which refreshments of ice cream and cake were served. Mr. Gibbons was presented a gift by the band members as well as a large angel food cake with patriotic decorations.

The women faculty members of the Warsaw school system and friends honored Miss Lois Lindsey, teacher of the first grade, with a picnic supper at Kay-singer Bluff, and afterwards a line party at the Roxy Theatre Monday evening. Those enjoying the affair were: Misses Idellah Holley, Jane Allen, Miriam Freeman, Fern Hashagan, Marie Kreislir, Florence Hudson, Gladys Myers, Nevada Surbaugh, Lucile Calbert and Mesdames, E. T. Robbins, Gene Bibb and Q. B. Kinder.

Employees of the AAA office and Benton County Extension office of Warsaw and friends entertained with a fish fry and picnic supper on Deer Creek near Edwards Wednesday evening in honor of Clyde McCarty, Jr., who is leaving soon to join the U. S. Army. Present were: Mrs. McCarty; County Extension Agent, O. V. Singleton, Mrs. Singleton, Bobby and Joanne, Mr. and Mrs. Irlie Waisner, Mr. and Mrs. Gene Bibb, Misses Flora Rotermund, Hazel Corley, Opal Bohling, Anna May Gerken, Joanne Henderson, Dorothy May, and Earl Campbell. Special guests were his parents, Mr. and Mrs. Clyde McCarty, Sr.

Mr. and Mrs. Clayton Jackson and children Judith Ann and Charles Kenneth of Jackson, Mich. enjoyed a vacation here last week with her parents, Mr. and Mrs. Joe Bennett and family and sister Mr. and Mrs. Wayne Pate and family and other relatives.

Rev. Claude J. Mustain, pastor of the local Baptist church, left Thursday for San Antonio, Tex., where he will attend the Southern Baptist convention.

Rev. and Mrs. E. H. Michalkowsky visited Monday with their daughter, Mr. and Mrs. Orla Crudginton, Jr., and son Michel. Mrs. Michalkowsky remained for a longer visit to care for Mrs. Crudginton who was ill.

Rev. T. C. Swackhammer, minister of the Methodist church at Warrensburg, delivered the commencement address to the graduating class of the Warsaw high school, Thursday evening, at the Community building. A very large crowd was present. Out of the class of forty-two seniors, Christine Thomas, daughter of Mr. and Mrs. W. A. Thomas of Fairfield, ranked first, and Bonnie Foster, daughter of Mr. and Mrs. Robert Foster of Kansas City, ranked second. Wednesday the different grades enjoyed picnics on the Lake of the Ozarks.

Mrs. C. R. Short was hostess to her bridge club at her home Thursday night with these members and guests seated at three

The Benton County Letter Carriers Association and Ladies' Auxiliary met Saturday night at the local Methodist church, where they enjoyed a banquet served by the Methodist Missionary Society. Towns represented were: Cole Camp, Edwards, Ionia, Lincoln and Warsaw. These officers were elected for the coming year: President, Willard Owen, Lincoln; vice-president, Lester Taylor, Ionia; secretary-treasurer, Woodrow Ferguson of Warsaw.

Mr. and Mrs. Albert Holloway are spending this week with her daughter, Mr. and Mrs. Everett A. Turner of Overbrook, Kans., and his son, Mr. and Mrs. Roland Holloway and family of Kansas City.

Mr. and Mrs. G. R. Kirby had these children and grandchildren home with them for dinner on Mother's Day: Mr. and Mrs. Her-

bert Kirby of Neosho; Mr. and Mrs. Lester Williams and Mrs. A. L. Wickliffe and son Earl Kirby of Springfield; Dr. and Mrs. G. S. Kirby and Mr. and Mrs. John M. Gibbons.

These members of the Benton County Selective Service Board: Walter Button, Harrison Eaton, Louis Meisner and E. H. Intelman, clerk, went to Springfield Tuesday night, where they attended a district meeting of the Selective Service boards. A. J. Chaney and J. S. Phillips, the other two members of the board were unable to attend.

Mrs. Ruth Dyer had these children with her for Mother's Day last Sunday: Mr. and Mrs. John Owen and son John Robert of Cross Timbers; Mr. and Mrs. Dillard Martin and children of Fairfield; Mr. and Mrs. Arnold Dyer and son Arnold, Jr., of Buckner, and Ted Dyer of Liberty.

**Syracuse Club
Meeting**

The May meeting of the Syracuse Homemakers club was held Thursday at the home of Mrs. Earl Decker.

A lunch to which all contributed was served at noon.

The afternoon meeting was opened by singing the club song, "The Vesper Hymn", and several others led by the song leader, Mrs. George Putnam.

Mrs. O. E. Cordry read the Washington news letter, Mrs. Julius Neitzert talked on Argentina and the devotional was given by Mrs. Hattie Pennington with prayer by Mrs. Monroe Neal.

Mrs. R. E. Kirchner gave a report on poultry and a report on the town clean up day sponsored by the club was given.

Roll call was answered by twenty-one members with short quotations on "Mother", and there were four guests, Mrs. Albert Fricke, of Chicago, Mrs. Nettie Decker, Mrs. Westie Decker and Mrs. Lizzie Corson.

Mrs. W. H. Olney gave a very interesting book review of "Between Two Autumns", by Percy Lark.

The June meeting will be with Mrs. Monroe Neal.

**GOVERNMENT CEILINGS
ON RETAIL PRICES**

For many months there has been an upward trend of prices... Because of higher cost prices at the source.

Like others, no doubt, we have followed our life long policy of moderate mark-up based upon the cost of the goods we purchase for resale.

We have not withheld merchandise in order to offer it later at higher levels. When retail prices were frozen, ours were under the general market. We have adhered strictly to our 62 year policy of moderate prices even though our prices, too, have moved gradually upwards on merchandise that had to be replaced in our stock. Notwithstanding, our retail price level frozen as of March, is a bonafide tribute to our steadfast policy of fair prices always.

Now, because of increasing incomes and decreasing consumer goods there is a general fear of inflation, our Government has undertaken to control all prices by regulating them thru' price ceilings. This restriction we welcome, even though we cannot visualize its full effect upon us or others. As a matter of fact our March retail prices are the only prices at which we are selling goods today.

As a matter of plain duty, as well as a matter of store policy, we shall continue March prices thruout our store, regardless of self interest. You can count on this store as being one of countless thousands who will strive to help our Government to stabilize the national economy. We will continue to serve the people of Sedalia and vicinity fearlessly and honestly.

of Liver Bile**

Do This Every Morning For 30 Days

Get a bottle of Kruschen Salts tonight. Start right in tomorrow morning and take as much as will lie on a dime in a glass of water (hot or cold) half a hour before breakfast or in your morning cup of tea or coffee and keep this up for 30 days. Kruschen taken this way helps relieve such symptoms as sick headaches, bowel sluggishness and so-called bilious indigestion when due to insufficient flow of bile from the gall-bladder. You can get Kruschen, a famous English formula made in the U. S. A., at McFarland and Robinson Drug Co., or any drug store. You must be satisfied or money back.

CONSTIPATION SUFFERERS
Note: For an occasional cathartic or purgative, to relieve common constipation, we believe there is nothing better than quick-acting Kruschen in larger doses—try it according to directions on the bottle.

**All Out For Victory!**

America was first discovered in 1492. Now in 1942 we Americans are discovering it all over again. "ALL OUT FOR VICTORY" and the efforts and sacrifices necessary to attain it are bringing home to each of us a new consciousness of what AMERICA means and stands for.

We are learning that there is real pleasure in developing the art of doing "a lot with a little." We, who had so much yesterday find ourselves face to face with scarcities on every hand. We are learning to conserve and these lessons will eventually make us a stronger, more unified America than we ever were before.

As each individual and each industry does its part, America will surely and steadily gain the strength necessary to win this war.

The St. Louis Clothing Company is keenly aware of its responsibility as distributors of clothes for men and women. Our armed forces' woolen requirements leave very little for civilian use. To conserve woolens, civilian clothes must be made to wear longer. The custom details, the careful expert hand crafting that have made Hart Schaffner & Marx clothes famous for years, are the best assurance of longer wear you can find.

We pledge the utmost care and vigilance to the end that our high business standards will be maintained.

March 1942 Prices

will be maintained

Dr. F. L. Mott Is New Dean

To School Of Journalism At State University

ST. LOUIS, May 16.—(P)—The University of Missouri's School of Journalism, oldest in the world, was given the third dean in its history today with appointment of Frank Luther Mott as successor to the late Walter Williams and Frank L. Martin.

Dr. Mott, 56, has directed the School of Journalism at the University of Iowa since 1927. He will come to Columbia in August at an annual salary of \$7,000.

Missouri's school of Journalism was founded in 1908 by Dr. Williams, who served as its head even after he became president of the university in 1931. Following Dr. Williams' retirement in 1935, Martin, who had been a member of the faculty almost continuously since 1909, was appointed dean.

Martin died last July and the school has been directed since then by J. Edward Gerald as acting dean.

Won Pulitzer Prize
In Mott, the University's board of curators selected a journalism educator of nation-wide renown. The author of several books, he won the Pulitzer prize for history in 1939.

He was chairman of the National Council for Research in Journalism from 1934 to 1938.

Born in Keokuk county, Iowa, Mott attended Simpson college, the University of Chicago and Columbia university in New York, where he obtained his Ph. D. in 1928. Simpson awarded him the honorary degree of Doctor of Literature in 1939.

He edited newspapers at Marquette and Grand Junction, Iowa, and then became an instructor at Marquand School of Boys in Brooklyn, N. Y., in 1918. He returned to Simpson as professor of English in 1919 and joined the faculty of Iowa's English department in 1921, later becoming professor of journalism.

Dr. Mott is married and has one daughter, Mildred.

Volunteers For Aides Needed

Red Cross Is Organizing Class For Nurses' Aides

Plans are being formulated for the organization of the second Nurses Aide Corps, and the American Red Cross is appealing in the women of Sedalia to give this project their very earnest consideration. There will be a steady decrease in both doctors and nurses, and the civilian population of the United States will have to shoulder the immediate responsibility of caring for the sick, both in the homes and in the hospitals. The Armed Forces must come first, and we must be prepared for every contingency. We of the home front must mobilize for the duration, the health of the home front is of major importance, the home front must carry on.

Want Volunteers
All Sedalia women who are concerned with the preservation of our American way of life, all Sedalia women who have the future of their country at heart, all Sedalia women who regard the winning of the war of survival as a "first thing" that must come first, are requested to take under serious consideration the second Nurses Aide, Mrs. Gordon Potter, superintendent of nurses at the Bothwell Hospital, has been most enthusiastic about the work of the first Corps; their aptitude for the job in hand, their willingness to give their time and their energy, and the success of their endeavors.

More And More In Demand
As time goes on, the Nurses Aide will be more and more in demand at the hospital. They will work also in steady cooperation with the office of Civilian Defense. The OCD will be greatly strengthened by the knowledge that the Nurses Aide is ready and waiting to be of assistance. War is a hard master, registered nurses are needed by the Armed Forces. The registered nurses must go, but the Nurses Aide will carry on. All Sedalia women who are interested in this vital part of the war effort, are asked to call the chairman, Mrs. Abe Rosenthal, for particulars concerning the second Nurses Aide Corps. The classes will be started as soon as enough women have volunteered. It is imperative that the class be started without delay. The life of a fellow human being may depend on you. Will you help?

Expecting a Baby?

Mother's Friend helps bring ease and comfort to expectant mothers.

MOTHER'S FRIEND, an exquisitely prepared emollient, is useful in all conditions where a bland, mild anodyne massage medium in skin lubrication is desired. One condition in which women for more than 70 years have used it is an application for massaging the body during pregnancy. It helps keep the skin soft and pliable, thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the numb, tingling or burning sensations of the skin... for the tired back muscles or cramp-like pains in the legs quickly absorbed. Delightful to use.

Mother's Friend
Highly praised by users, many doctors and nurses. Just ask any druggist for Mother's Friend—the skin lubricant. Try it tonight.

For several years Mr. Hardy has been employed as a clerk at M. T. Keevil's general store but left Sunday for Jefferson Barracks, to enter the army.

Mrs. Hardy has employment at the Martin Garment factory in Tipton and will continue to work there for the present.

Mrs. D. P. Dyer and Mrs. W. F. Keyser were winners, north and south, and Mrs. C. A. Wright and Mrs. Charles Wilson, east and west, at the second of the series of a bridge tournament at the Country club, Friday afternoon.

Lunch preceded the bridge playing. There are two more weeks of the tournament, and next Friday lunch will be served at 12:30 o'clock, the games following.

The regular meeting of the Newcomers club will be held Tuesday at 1 o'clock at the St. Francis Hotel with Mrs. J. E. McDonald as chairman.

Plans are being made for the

June meeting which will be an evening picnic held at Liberty Park.

Mrs. Victor Scott and Mrs. C. A. Wright are the callers this month and have nine new members to call on.

Mrs. Clyde Scott will entertain at a miscellaneous shower Monday night at her home, 920 East Sixteenth street, honoring Miss Ruth Needy of Smithton, whose engagement to Charles W. Roe of Sedalia, is announced today.

Brill, Lincoln, conference secretary; Miss Catherine Whitmore, Kansas City, president of Wesleyan Service Guild; Mrs. H. J. Moody, Harrisonville, president of Clinton district; Miss Daisy Williams, president of Carthage-Joplin district; Mrs. Herbert Rinkel, president of Kansas City district; Mrs. J. W. McClure, president of Marshall-Sedalia district; Mrs. V. E. Cochran, secretary of Springfield district.

Engagement Announced

The engagement of Miss Ruth Needy to Mr. Clarence W. Roe, son of Mr. and Mrs. William Roe, has been announced by her parents, Mr. and Mrs. John W. Needy of Smithton. The wedding will take place on June 7.

Red Cross Weekly News

With the announcement that an air base is to be established at or near Knob Noster, interest in the local canteen has been renewed and increased. A competent canteen, well trained and qualified in all branches of its work, is already functioning, and the forming of a United Service Organization will be greatly felicitated thereby.

Following is a quotation from the American Red Cross News Service: "The activities of the American Red Cross and the USO in all communities will be carried on in close co-operation and consultation locally in a manner that will insure the full use of the resources of both organizations in the interest of the men of the armed forces and their families."

Appeal For Truck

The local Red Cross board is sending out an appeal for a used truck. This is a necessity and the loan of one will be more than appreciated. The truck will be used for the duration only and will be returned to its owner after the war. This appeal is made with the great hope that it will be answered at once.

The truck will be re-serviced and re-equipped, making it into a mobile service unit. Any truck owner who will thus contribute to the ultimate victory is requested to contact Mrs. Robert Spenser, Red Cross office, phone 110, at once.

With the enthusiasm and industry so characteristic of the Lincoln district, the Home Nursing class under the supervision of Miss Eugenia Smith, has completed its training. The work of the six members of this group has been so satisfactory, that Miss Smith had volunteered her services in the instruction of another class to be started early in June.

First Aid

Taking as their war cry, the three "V's", "Vim, Vigor and Vitality," three groups of first aiders, under the chairmanship of Miss Ruth Ann Slane have received their certificates. Miss Slane has awarded the following:

72 Standard First Aid Certificates.

25 Advanced Certificates.

28 Junior Certificates.

This is a splendid record, both for the workers and for Miss Slane. Miss Della Jones, one of the most enterprising of the Red Cross instructors, is organizing an advanced class in First Aid, which will meet Monday evenings at 7 o'clock. Anyone eligible for this class and who is interested in becoming a member please be present Monday night.

Nurses Aides

The Nurses Aides of the local chapter is covering itself with glory so far as work at the Bothwell hospital is concerned. They

are getting real experience in both day and night work and, if an emergency arises in which their full services will be required, they will be more than able to cope with it.

A new class is being formed and will begin work some time in June. A great many of the school teachers are interested and will make up a large part of the new group. This work is of course entirely voluntary and the Nurses Aides receive no payment. The Nurses Aides staff and board will have a picnic Tuesday evening at Bothwell Lodge.

Sedalia Post No. 7 of the Veterans of the Spanish American War, has organized a First Aid class which meets at the homes of the members once a month. There are 11 in this class so far, and more are expected to come in.

Knitting To Be Done

Mrs. Harold Dean, chairman of the knitting, has yarn and more yarn and knitters are welcome at the Red Cross office. If you can knit, please come and get your yarn. The quota is a large one and work will be appreciated.

Attention! All who are eligible for the Instructors Course! A representative from Red Cross headquarters will be in Sedalia on June 1 to organize an advanced instructors course. The course is open to all who have completed the necessary work.

Any who are interested in the continuation of this necessary part of Red Cross work will please keep this in mind, and plan to attend these classes.

The Surgical Dressings department is very glad to have Miss Agnes Quin back again. Miss Quin has been away from the office the last two weeks because of the illness and death of her sister, Miss Nora Quin.

Hobby Antique Show Planned

Chapter BB of the P. E. O. will have a hobby and antique show at the home of Mrs. D. P. Dyer, 524 South Grand avenue, Tuesday afternoon and evening. The hours will be from 1 to 5 o'clock and from 7 until 10 o'clock.

The exhibit will include antique glass displays, and doll, pitcher and button collections as well as many other interesting items.

Mrs. Dyer is chairman of the show committee, and members of her committee are Mrs. W. B. Hert, Mrs. Edward Hoffman, Mrs. K. L. Brubaker and Mrs. Henry Salveter.

The committee met Friday night at Mrs. Dyer's home to complete plans for the exhibit.

Last Monday the women's division of the Kansas City Museum attracted one thousand persons to its hobby show held at the Ward Parkway home of Mrs. M. B. Nelson.

There has been increasing interest in Sedalia in hobby collections and antiques, not only in furniture but china and glassware as well.

Broadway PTA Election

Mrs. Lloyd Kennon Elected President For Ensuing Year

Officers for the ensuing year were installed at the final meeting of the Broadway Parent-Teacher association Wednesday afternoon.

The officers are Mrs. Lloyd Kennon, president; Mrs. Richard Gray, first vice president; Mrs. S. O. Rentscher, second vice president; Mrs. Harold Yunker, secretary; Miss Hallie Holmesley, treasurer.

Mrs. G. A. Walters was presented with a past president's pin as an expression of thanks for her work as president during the 1941-42 year.

Burney Morris and Ralph Guenther of the music department at Smith-Cotton high school, talked briefly on the free music summer instruction and urged parents to give the children the advantage of these opportunities.

Principal Forrest L. Drake, expressed appreciation for the loyal cooperation of the P. T. A. and student body in the activities for the year.

A pleasing musical program under the direction of Miss Florence Hert, Miss Frances Meyer and Mrs. Harvey McGugin was presented. The numbers were as follows:

Orchestra, "Polonaise," by Bach and "Gavotte" by Handel; piano solo, "Minuet in E Flat" by Haydn, "Prelude" by Wright, Ruth Ann Yunker; mixed chorus, "Mountain Stream" and "Garden Lullaby"; violin solo, "Pony Race"; Beverly Miller; boy's chorus with violin trio, "Love's Old, Sweet Song"; Madge Cloney, Margaret Walker, Violet Richardson; boy's chorus, "Chant of the Reeds"; "Oh Saddle the Roam"; "A Sail at Dawn"; violin solo, "Elves Dance"; Madge Cloney; girl's chorus, "Tis Morning"; "Sundown"; "Floating With the Tide."

Making Quilts For The Red Cross

The Osage Homemakers met at the home of Mr. and Mrs. Will Thomas Thursday with all members present with the exception of Mrs. Harry Meyers. At the noon hour a luncheon was served by Mrs. Thomas who was assisted by her two daughters.

The singing of the national anthem opened the meeting after which the women finished five baby quilts which they turned in to the Red Cross.

The next work for the Red Cross will be hospital gowns which will be made at the home of Mr. and Mrs. George Powell, on May 29.

Georgetown Meeting

The Georgetown Extension club will meet Wednesday, May 20, at the home of Mrs. Bryan Shoemaker, 616 North Prospect avenue, with Mrs. Skaggs assisting hostess.

Scene At S-C. Student Banquet

An "old south" atmosphere prevailed at the Smith-Cotton high school annual student council banquet held Wednesday night in the Home Economics room, as shown by the "Negro" waiter and the overhanging moss that was part of the decorations for the plantation setting. A section of the banquet tables is pictured above. Members of the committee in charge were Bonnie Jean Thompson, Betty Jean Johnson, Betty Bob Scotten, Anna Mae Gerster, Robert Vilmer, Eugene Collins and Robert Green. James Anderson retired as president and Cecil Swift gave the acceptance speech as incoming president.

Farewell Dinner For Couple

Mr. and Mrs. William R. Courtney, who are leaving soon for Mexico, Mo., to reside, were honor guests at a dinner, given Friday night by members of the board of the Salvation Army. Mr. Courtney has been treasurer of the board for the last ten years.

The dinner was given at the Salvation Army Temple, where the dining table was prettily decorated with patriotic colors, and garden flowers.

In the absence of Harry Brunkhorst, chairman of the board, Emil Landmann, vice-president, was toastmaster. D. S. Lamm paid a very nice tribute to Mr. Courtney, expressing regret and stating his feeling was that of all Sedalia, as the loss of this family from the city.

Presented Gift

Rev. H. U. Campbell, pastor of the Fifth Street Methodist church, followed with a talk, using as his subject the breaking of the alabaster box, then he brought in a large package, comparing it to the alabaster box. When opened it contained a very nice occasional table, which was presented to Mr. and Mrs. Courtney.

Mr. Courtney responded feelingly, stating that wherever they went, and whatever friends they made, there would be none closer nor more dear, than those in Sedalia.

Attending the dinner, other than Mr. and Mrs. Courtney were, Mr. Landmann and daughter, Miss Christine, Mrs. J. R. Van Dyne, Sr., Judge Dimmitt Hoffman, Mrs. Frank S. Leach, Rev. and Mrs. H. U. Campbell, Mayor A. H. Wilks and Mrs. Wilks, Rev. and Mrs. O. J. Rumpf, Mr. and Mrs. Charles M. Van Dyne, Mr. and Mrs. Henry C. Salveter, Mr. and Mrs. H. E. Lindstrom, Brigadier John Atkinson, Chicago, territorial evangelist for the Salvation Army, Captain and Mrs. C. R. Ellis.

Other board members were unable to attend.

Huskers Win Big Six Track Meet Again

Kansas State Second And Tigers Third

Pole Vault Is Only Record Beaten That By Harold Hunt Who Went Up 14 5-8 Feet

By RANDALL BLAKE
LINCOLN, Neb., May 16.—(AP)—The Big Six track and field championships today, blanketing the field with a display of all-round strength seldom seen in a conference meet.

There was one new record, by Lanky Harold Hunt of Nebraska, who cleared 14 feet, 5 1/8 inches in the pole vault. The old record was 13 feet, 11 1/4 inches set by Hunt last year. Hunt's record was set when all the track events were over and full attention of the crowd of 3,000 was centered on him.

Huskers Pile Up Points
The Huskers piled up 82 1/2 points, scoring in every event except the low hurdles in which Bill Smutz, defending champion, ran out of the money.

Kansas State came in second with 43 2/5. Then followed Missouri with 38 7/10; Oklahoma 26; Iowa State 19 13/15; and Kansas with 13 11/30.

It was a tough day for defending champions as Vic Schleich, Nebraska shot put ace; Bill Lyda, Oklahoma, in the 880, and Orville Mathews, Oklahoma, in the 100 went down in unexpected defeat.

There were two double winners, Bob Ginn, the Nebraska mite, who took the mile going away in 4:26.1, and came back four events later to win the 880 in 1:56.6, and Owen Jogerst, Missouri, in the 100 at 9.5 and the 220 at 21.4.

Lyda In Last
The 880 found Lyda, the favorite, still suffering from the effects of the 440, which he won in .48 flat, and he ran last.

That was the second bad break to come Oklahoma's way, as Mathews pulled a muscle at the start of the 100 and had to be scratched from the 220.

Defending champions who clicked again in addition to Hunt in the pole vault were Lyda in the 440; and Ginn in the mile.

Other winners, times and distances were:
120-yard high hurdles—Smutz, 14.5.

Two mile run—Richard Smethers, Oklahoma, 10:02.6.
220-low hurdles—Joe Shy, Missouri, 24.2.

Mile relay—Nebraska, 3:23.3.
Shot put—Elmer Ausieker, Missouri, 50 feet, 7 1/4 inches.

Javelin—Howard Debus, Nebraska, 202 feet, 2 inches.
High jump—Dean Lille, Kansas State, six feet, 1/2 inch.

Broad jump—Ken Farris, Oklahoma, 23 feet, 8 1/2 inches.
Discus—Edsel Wiggels, Nebraska, 151 feet, 5 1/2 inches.

Nebraska piled up 10 points in the first two events as Ginn won the mile and Schleich and Wibels took second and fifth in the shot for a five point lead over the field, then stretched it to eight points in a perfect example of Cornhusker all-around strength.

That was in the 440 won by Lyda for five points. Yet Nebraska scored seven points in the race under the 5-4-3-2-1 system by getting a second, fourth and fifth. After that the score mounted fast.

Two Roque Courts At Washington Park

Roque players in Sedalia have organized a club known as the Sedalia Roque Club with Ed Wadsworth as president and Oliver Garrett as secretary and treasurer. Through this organization they have been creating much interest in the game and new members are being sought.

At Washington Park the Sedalia Park Board has built two of the most modern courts in Central Missouri, also have obtained sets to be used to play the game at a cost of approximately \$40. The Park Board is also anxious that Sedalians take advantage of this new game and go to Washington Park and participate.

No fees are charged and the game can be played at night as lights have been placed giving both courts plenty of illumination for the players.

The game is similar to croquet but is much more interesting according to those who have already taken up the sport. It is like many other games in keeping with President F.D.Roosevelt's program on recreation.

White Sox Shatter Six Game Win Of Marchiond
Chicago, May 16.—(AP)—Phil Marchiond, the Philadelphia Athletics spurring sophomore, was within range of becoming the first big league pitcher to win six games when the White Sox rallied for two runs in the ninth today to beat him, 4 to 3. It was the Chicagoans' fourth straight victory.

Doubleheader Divided By Cleveland And Washington

CLEVELAND, May 16.—(AP)—The Cleveland Indians divided a doubleheader with the Washington Senators today, taking the first game 5 to 4 with a one-run rally in the ninth inning. Sid Hudson outlasted a parade of Red-skin hurlers in the second game to win 7 to 1.

Les Fleming, the Tribe's chunky first baseman, was the star of the first contest, hitting three doubles and driving in two runs.

In the second contest Hudson coasted with a six-run lead after the third inning, keeping the Red-skins' nine hits well scattered.

Harry Eisenstat, making his first start of the season, was the victim of uprisings in the second and third chapter of the nightcap.

Cards Get A 7 To 4 Victory Over Braves

Cooper Pitches Air-Tight Ball As Braves Give Bases On Balls

BOSTON, May 16.—(AP)—Wildness of three Boston Brave pitchers, who gave up 11 bases on balls, today enabled the St. Louis Cardinals to gain a 7 to 4 victory.

Meanwhile, Mort Cooper was hurling air-tight ball for the Cards, except in the third inning when Chet Ross' homer brought three runs. The Braves found him for only four hits, three of which were made by Tommy Holmes.

Lou Tost, rookie Boston pitcher, was knocked out of the box in the second inning when St. Louis registered five of their nine hits, and was replaced by Jim Wallace who issued seven walks before Sain took over.

After collecting three runs off Tost the Redbirds counted two more off Wallace in the fourth. The two-run spurge, however, was in great part a contribution by the young Boston hurler, who walked three men before Walker Cooper brought two of them around on single.

The Cardinals were quiet then until the eighth inning when they grabbed another pair of runs to discourage belated hopes of a rally by the Braves. These final counters were advances by Creepy Crespi who singled with runners on second and third.

Yankees Take Both Ends Doubleheader With Detroit

DETROIT, May 16.—(AP)—The New York Yankees took both ends of a doubleheader with the Detroit Tigers, 6-1 and 2-1, today, stretching their lead in the American League to a game and a half over the Cleveland Indians, who divided a twin bill with the Washington Senators.

Ernie Bonham, unbeaten pitching leader of the American League, turned in his fifth straight triumph with a five-hit performance in the opener, although Barney McCosky snapped the Yankees' string of consecutive shutout innings at 22 when he homered in the fourth inning for Detroit's only run.

Spud Chandler pitched the Yanks to victory in the second game, yielding seven safeties for his fourth success against one defeated. The bombers were held to six hits by Paul (Dizzy) Trout in the afterpiece, but one of them was Joe DiMaggio's eighth home run of the season.

Jr. Legion Will Play At Stover Today

Goff And Weller The Battery For Local Team Against Stover

The Pettis County Post No. 16, American Legion Junior baseball team will motor to Stover today where this afternoon they are slated to meet the ball club of that place at 2:30 o'clock. The Legion aggregation is expecting to break the ice and come through with victory today.

Handicapped by a heavy diamond, rainy and cold weather, the team has not had as many practice sessions as hoped for, but those which have been held were workouts. Every member of the squad has his chance in workout the past week and will probably get a chance to play this afternoon.

The Usual Lineup

Manager Cecil Glenn and Coach Gene Horner decided upon the following lineup for this afternoon: Richardson, shortstop; Livengood, first base; Weller, catcher; Hughes, centerfield; Thomas, left field; Hunt, third base; Kanter, right field; Landers, second base; and Goff, pitcher. Utility players are Brownfield, Hanpeter, Donath and Clark.

The team will meet at the home of Manager Glenn, 641 East Thirtieth street at 12:15 o'clock this afternoon and leave from there for Stover. All players are urged to be present on time, otherwise, they will be left at home.

Hornets Will Travel Today To Centertown

Game Was Postponed Last Sunday Due To Downpour Of Rain

The Smithton Hornets will journey to Centertown this afternoon to meet the team of that place in a game postponed from last week. The game last Sunday was cancelled because of rain and cold weather. The game will begin at 2:30 o'clock.

The young Smithton aggregation will be after their fourth victory for the 1942 season this afternoon. They have played four games already and have but one loss in their standing for the early part of the season. The Centertown team is undefeated this year and a hot contest is expected to be seen.

Much Interest In Team

Much interest is being displayed by Smithton in their young team and a number of towns people are expected to drive to Centertown to root for their club. The team in 1942 set up an excellent record for a group of youngsters and the prospects for this year are expected to exceed their previous mark.

Today's lineup will be announced just before game time. The players making the trip are Paul Selkin, Junior Bohon, Bill Green, Gene Bremer, John Dove, Bob Curtis, Mark Lamm, Russell Middleton, Bob Brunkhorst, and Edgar Curtis. Several others who have been practicing with the squad will accompany the team.

Attention Turns On Speed At Belmont

NEW YORK, May 16.—(AP)—Mrs. Parker Corning's Attention turned on a blazing burst of speed in the stretch today to come from far back and win the 49th running of the Metropolitan mile at Belmont Park.

The son of Equipoise finished two lengths in front of W. L. Brann's Pictor. Lou Tufano's Market Wise was third.

The time for the mile was 1:36 2/9. Favorite in the field of 12, Attention returned his backers \$7.00 for each \$2 win ticket. Ridden by Don Meade, he carried top weight of 126 pounds. The victory was worth \$11,150 to the winner.

The American Red Cross has been granted priorities for production of a limited number of mobile canteens, disaster relief units and ambulances. Emergency disaster relief units were especially designed for use as ambulances, mobile canteens, for rescue and evacuation work, and as mobile highway first aid stations.

It was interesting reading Clyde McBride's story on Private Joe Snyder, former phone boy at the Kansas City Star sports desk, in regards to his interest in the automobile speedways. Yes, I recall Private Snyder very well, and I personally talked with him about racing, and one of his chief visits to the race track was not only to the Indianapolis Speedway but to the Missouri State Fair grounds. He has been a State Fair visitor on auto race day every year for—Oh so many years back.

He told me of making it a hobby to be on hand at Indianapolis every Decoration Day to see the daredevils whirl around the brick track—BUT, he told me, I still like to see the dust rise behind those streamlined buggies out at Sedalia. Private Snyder, who is just past his twenty-first birthday, is a likeable fellow and is bound to succeed in the army in the form of promotions. He has several friends down here in Sedalia who will be glad to learn of his whereabouts, and I pass it on to you that he is in the Second Cavalry division man at Camp Funston.

The young man has already made his way to the Public Relations office of his division and is doing alright according to the information we have.

'Twas interesting to read where a friend said to him "too bad you'll be tied down at Camp Funston when the races are on this year", in a ribbing manner. But he only grinned and said "You can't do that to me." Then added, "you know they called the race off. I was beginning to worry as to how I was going to make it, but now I'll be back when they hold the next one."

We all wish he could be here this fair week, but as he can't possibly we hope that he will come through O. K. and will be able to be back with us soon.

WE read with interest of Major Tommy Taylor, probably one of the best known Golden Glove managers in the Kansas City area, who is now with Uncle Sam in Australia. Every Sedalia Glover who has fought in the Tournament of Champions and in bouts in Kansas City, knows him—but as Captain Tommy Taylor. He was promoted just recently to the wearing of the gold oak leaf.

Major Tommy's manner in getting to Australia is interesting and it is given by Landon Laird, of the Kansas City Star's About Town editor as follows:

It seems that Tommy's assignment to his present outfit came after his new comrades were on the way to Australia, and the major couldn't be bothered waiting for boats. He "played a few angles," jumped a British plane, and was in Australia as soon as the commanding officer, who shook his head three times at seeing Taylor appear suddenly, and then shook Taylor's hand.

"If you want to be with us that much, Tom," the commanding officer said, "move right in."

We might add that Major Taylor is a former British subject and came to the United States after World War I to become an American citizen. Yes, during that first great conflict he won the British Army.

NOTE in the Wentworth Military Academy high school football schedule they have an open date for October 16. It would be rather nice if the Smith-Cotton schedule or their schedule might be juggled around so these two teams could get together again.

THE SPORTING NEWS reports that the Sedalia boys down in Natchez, Mississippi, are doing alright the first part of this season in the Evangeline League. Paul Evans, Slats Slaton, "Lefty" Carpenter, along with George Bennington are hitting 'em hard and last figures gave them a batting average of about .300 while Carpenter is turning in some hot pitching.

WE hope the boys take a rise in the minor leagues this year and head into the Major leagues—if the War doesn't put a crimp in baseball by the end of this season.

Bryon Nelson Wins Week's 'Big Event'

NEWTON, Mass., May 16.—(AP)—Bryon Nelson, the 1942 Masters' golf champion, won the second Massachusetts "big event" today with a score of 139 for 36 holes of medal play over the Charles River country club course.

Nelson shot five birdies and an eagle on a five-under-par 67 for the first round, carded a regulation 72 on the second 18 holes and finished two strokes ahead of open champion Craig Wood and Ben Hogan.

Fourth in the Navy Relief tournament was former ball player Sam Byrd, who carried 141, with the rest of the field following in order:

Jimmy Thomson, 144; Sam Snead, 145; Horton Smith, 147, and Jimmy Demaret, 154.

Giants Down The Cincy Reds 7 To 2

NEW YORK, May 16.—(AP)—Bill Lohrman, making his first start of the season, pitched five-hit ball today for the New York Giants, who downed the Cincinnati Reds, 7-2, to sweep their three-game series.

Lohrman checked all the Red legs except a pair of rookies, Max Marshall and Bert Haas, who hit successive home runs at the start of the fourth inning.

The Giants got all their runs off starter Gene Thompson. The Cincinnati hurler, who suffered his first defeat against two wins, was in trouble from the opening frame, in which he hit Dick Bartlett, first man he faced.

Joe Evers replaced Thompson in the fifth and pitched two hit, shutout ball for the last four frames.

The Tuesday Twilight Game On This Week

WPA Recreational Supervision Starts In Parks This Week

Providing weather conditions don't change things the Tuesday night Twilight League games should get underway this week. Last week marked the opening of the league but a heavy downpour on Monday and part of Tuesday put the damper on the opening.

Games scheduled to start off at 6:15 are Eugene Field Adco vs. Sacred Heart and LaMonte Vikings vs. Stewart Avenue Market. The third game to be played starting at 7:15 o'clock will be between Hughesville Athletic Club and Missouri Pacific Apprentice Club No. 1.

Smithton Scouts Quit

The Smithton Scouts and Dresden Rattlesnakes game has been called off. Most of the Smithton team expects to be in Boy Scout and 4-H club camps the greater part of the summer and the team will be disbanded. Efforts are being made to obtain another team for this vacancy so the Dresden team will have an opportunity to play.

Any team wishing to enter the Twilight League is asked to contact Thomas P. "Dolly" Farris at the Y. M. C. A. or call 890 for Mr. Farris.

All games postponed last week will be played at a later date and managers of the team will discuss the possibilities of these dates to the satisfaction of each club.

Games For Thursday

Games scheduled for Thursday night of this week are:

Scout Troop No. 61 vs. Missouri Pacific Apprentice Club No. 2 and Smith-Cotton All-Stars vs. Post Office Ponies. These games will be played at 6:15. Games starting at 7:15 o'clock will be: Howard Roberts Specials vs. Houstonian Blues and the Green Ridge Odd Fellows vs. the Pirates.

On Monday, May 18 the WPA Recreational Supervisors will begin supervision of activities in the City Parks. Leaders will be on duty at the parks from 3 o'clock until 9 o'clock every day except Sundays and holidays.

Williams Hit Big Blow For The Red Sox

The Circuit Smash Comes In Ninth To Beat Browns 4 To 2

ST. LOUIS, May 16.—(AP)—Ted Williams' homer was the big blow in the Boston Red Sox 4 to 2 victory over the St. Louis Browns today but don't forget pitcher Tex Hughson. This tall right-hander held the Browns to two singles in notching his first victory of the season.

Only one of the safeties figured in the pair of runs St. Louis got in the fifth. Two of the walks Hughson allowed, plus a sacrifice, put men on second and third, and Don Gutteridge singled both runs home. Vern Stephens wasted the other in the seventh.

Doerr's Homer Starts It
Williams' circuit smash—his eighth this season—came in the ninth with the doubling Lou Finney on base and broke a 2 to 2 tie. Bobby Doerr's sixth home run of the year started the Sox scoring in the fourth and George McQuinn's error let in another tally that inning.

Bab Dahlgren, newly acquired from the Chicago Cubs by the Browns, went in as a pinch hitter in the ninth and made the final out with a fly to Dom DiMaggio.

Bob Muncieff, Browns' hurler, was making his first start since he suffered a broken rib about three weeks ago. He was in trouble nearly every inning and only fine defensive plays by his support saved him from a shellacking.

The Browns tried hard to score in the third. A walk and an infield error put two men on base with one away. But Hughson wasn't yet ready to loosen up with hits. He forced Gutteridge to fly to Williams and Harland Clift hit into a force play.

"WELL DONE!"

Our Thanks To The **SEDALIA** **CHAMBER of COMMERCE**

City and County Officials and All Others

Sedalia Takes Its Place As One of the Nation's Military Training Centers

There is an old saying to the effect that "Everybody's business is nobody's business." This applies to looking after the interests of a community or town. The Chamber of Commerce is the organization that does its best with this difficult task.

Here in Sedalia, the Chamber of Commerce is on the job all the time, helping to better maintain the institutions we already have and at the same time doing everything possible to get new industries and new projects for the Sedalia trade area. Work of this type is usually directed by the officials who work quietly through committees. In most cases, it is essential that this promotion work be done quietly in order that tentative plans can be developed to the best advantage of all concerned.

The important thing is that our Chamber of Commerce is ever on the watch for opportunities to build Sedalia and help make it a better place in which to live. It is not always able to get the projects that it works for but in spite of disappointments in not getting some of the

things it goes after, the Chamber of Commerce is at all times alert to opportunities and working for the best interests of Sedalia.

Take for example, the new air base which has just been located near Sedalia. Our Chamber of Commerce officials, our city and county officials and other civic-minded men have been working on this and similar projects for several months, interviewing government men, preparing a prospectus showing the desirability of this community for the site and looking after innumerable details necessary for the information of the government. Much of this work has been done quietly and well by the Chamber of Commerce officers and various committees of the organization.

So we wish to take this opportunity to say "Thank You" to our Chamber of Commerce, our City and County officials, and all others, who were instrumental in bringing this project to our territory, and let them know that we appreciate the good work they are doing for our Central Missouri community and our city.

Wheat And Corn
Both In Decline

By FRANKLIN MULLIN
CHICAGO, May 16.—(AP)—Wheat prices tumbled as much as 2 cents

a bushel at one time today as the grain market reflected trade concern over the scarcity of storage space and the outcome of a Washington controversy involving disposal of government-controlled surplus stocks.

After an early show of steadiness,

wheat weakened around midsession and execution of numerous stop loss orders lowered prices as much as 1 1/2 to 2 1/2 cents to lows not quoted here since the first of the month. This weakened other cereals.

Despite a late rally, due to short covering, wheat closed 1 to 1 1/2 cents lower than yesterday, May 16.19¢, July 12.11¢; Corn 1/2 to 1/4 down, May 8 1/2¢, July 8 1/4¢; Oats 1/4 to 1/8 off; Soybeans 1/4 to 1/8 down and Rye 1/4 to 1/8 lower.

Leading Stocks
Add To Gains

By BERNARD S. O'HARA
NEW YORK, May 16.—(AP)—Leading stocks continued their forward tilt in today's market and managed to wipe out average losses suffered in the early part of the week.

While lack of buying power clouded the advance, flavored industrials added fractions to more than a point to Friday's recovery.

Deals, slow at the start, maintained the sluggish pace throughout the two hours and transfers of 122,130 shares were the smallest since Aug. 16 last. They compared with 207,900 a week ago. The week's volume was the smallest in about a year.

The Associated Press composite of 60 stocks retained a net gain of 2 of a point at 34, the figure at which this barometer finished on the previous Saturday.

As in yesterday's comeback session, bullish sentiment was aided to some extent by reports of further Russian successes against the Nazis. British Prime Minister Churchill's optimistic war speech also buoyed financial spirits.

Bonds worked selectively higher.

Two Sedalia
Law Firms
Have Merged

J. T. Montgomery
And Three Younger
Lawyers Together

Merging of two of Sedalia's oldest law firms, both established by members of the Montgomery family, introduces a new firm to be known as Montgomery, Martin, Salveter and Montgomery, its members J. T. Montgomery, John T. Martin, Henry Salveter and John Z. Montgomery. J. T. Montgomery and Henry C. Salveter were formerly the firm of Montgomery and Salveter, John T. Martin and John Z. Montgomery, the Montgomery, Martin and Montgomery firm.

The change becomes effective immediately, and the four attorneys will occupy the entire fourth floor of the Sedalia Trust Company, Fourth street and Ohio avenue.

Began Practice In 1883

Mr. Montgomery, the senior member of the firm, has been practicing law in Sedalia since 1883. He is a member of one of the city's pioneer families, and started his higher education at Westminster College, Fulton.

Mr. Martin is a son of the late W. H. Martin, a former circuit judge of Cooper county. He is a graduate of the university of Missouri, and came to Sedalia in 1929 to enter the employ of the firm of Montgomery and Montgomery.

In 1933 he became a member of the firm, and has been the senior member since the death of Lee Montgomery, in 1939.

Came Here In 1929

Mr. Salveter, a native of Pulaski county, Missouri, graduated from the University of Michigan and came to Sedalia to practice law in 1929. He was prosecuting attorney of Pettis county from 1932 to 1936, and in 1937 became associated with J. T. Montgomery, where he has remained until the present merger.

Mr. Montgomery is a son of the late Lee Montgomery and a grand-son of the late John Montgomery, and was associated with them until their deaths. The firm was established by John Z. Montgomery, a first cousin of J. T. Montgomery.

John Z. Montgomery attended the University of Missouri, and Princeton university, and completed his law studies in the office of his father and grandfather.

Miss Lois Fricke, with the Montgomery-Salveter firm, and Mrs. John Miers, with the Montgomery, Martin and Montgomery firm, will remain as secretaries with the new firm.

Cars Damaged

In A Wreck Friday
Damage to two automobiles resulted at Broadway and Summit avenue Friday evening. The cars involved were a 1936 Chevrolet driven by Kenneth Hinken, 2100 East Broadway, and a 1937 Plymouth sedan driven by Miss Betty Smith, 520 South Washington avenue.

Hinken was headed east on Broadway as was Miss Smith and as Miss Smith made a left turn the accident occurred.

Last of Special

Services Tonight
Brigadier John Atkinson, of Chicago, the Salvation Army territorial evangelist, will conclude the special series of meetings at the local Salvation Army temple, this evening at which time he will present his final gospel message on "The Prodigal Son" in flannel-graph. Service begins at 7:45 P. M.

Telephone Company Banquet

N. T. Dunlap, district traffic chief of the Southwestern Bell Telephone company, who has been transferred to St. Louis, and J. K. McQuire of Springfield, who is replacing Dunlap here were honored at a banquet Wednesday night in the Ambassador room of Hotel Bothwell by members of the various departments. E. A. Stenson, St. Louis, division traffic superintendent, acted as master of ceremonies. There were 51 persons in attendance.

Finds Missing Wife And Child

After his wife failed to return home from a visit with her mother Thursday night, J. D. Scott, 1305 South Prospect avenue, notified Sedalia police and began a search for her in his car. His wife, Mrs. Mary Ethel Scott, had taken their five-year-old daughter with her, saying that she planned to visit her mother, Mrs. O. T. Latta, 1216 West Tenth street, about 7 o'clock.

When his wife and daughter failed to return after several hours Scott called the residence of Mrs. Latta, who said that Mrs. Scott had not been there. With a relative, Scott drove around the city and on roads in this area.

About 4 o'clock Friday morning, he found his wife and the small child walking along the road leading to Green Ridge, about 9 miles southwest of Sedalia. After being picked up, Mrs. Scott explained that she had decided to visit a cousin in Green Ridge.

Local Youths To Boys State

Several Sedalia boys will be sent to the annual Boys State, which will be held at Fulton, Mo., June 13 to 20, under the sponsorship of local civic organizations. Thus far, the Pettis county American Legion post and the Sedalia Kiwanis club have agreed to send one youth each, and several other organizations are expected to follow suit.

Four hundred students from cities throughout Missouri will attend the week-long session, held at the School for the Deaf campus at Fulton.

The delegates will be taken to Jefferson City to visit Gov. Forrest C. Donnell, and to see the operation of the various state offices. A governor and other officers will be elected among the students, to serve during the session.

Mason Divorce Suit Refused
